Baltic Institute of Technology, Kaunas

## Skills

JavaScript	Php
Laravel	MySQL
Scss	

## Languages

English	Russian
---------	---------

## Hobbies

- Gym
- Chess
- Intellectual games

## About

I'm passionate about technology since childhood but I found myself interested in web development just recently. I finished Full stack studies at Baltic Institute of Technology and now I'm looking for opportunity to implement my knowledge and create something useful. As a person I am friendly, hard working, highly motivated, keen on learning.
